Thank you so much for your interest in my Ministry. I truly believe in what I am doing, and am excited about your willingness to help me continue this Ministry.

The people in nursing homes sometimes seem like a lost part of our society. Whatever the reason they are there, “They have spiritual needs also.” The last statement came directly from an activities director at one of the nursing homes where I sing regularly. It is also one of the nursing homes on my list to receive free videos.

I work part time delivering Meals-on-Wheels in my hometown. When I answered the ad for the job two years ago, I had no clue that it would also open the doors for ministry. I was already singing regularly at a nursing home in Dayton, Ohio and I was praying for God to open doors of music ministry for me.

We have two Independent Senior Buildings in our town and I deliver Meals-on-Wheels to both of them. Both facilities have community rooms that just called to me to take the Gospel in song to them. When I asked one of the residents if anyone ever came to perform or minister to them, the reply was, “Only at Christmas.”

My hope is to extend it beyond the seven nursing homes that I am currently ministering to via the videos. That is why I am offering advertising space on my website, on my videos, and cable programs to help defray the cost of taping and packaging the videos
